

I'm not a robot

On April 21, 1967, a thick, black, Apr 21, 2017 50th anniversary of  
Oak Lawn 1967 tornado WGN TV weather segment On April 21, 1967, the  
Chicago area was in chaos following a catastrophic Thursday may have  
been filled with clear skies and warm temps --- but that was certainly  
not the case 55 years ago. A As we head into storm season, the Is it  
only a matter of time before we see another outbreak like the 1967 CBS  
2's Lauren Victory reports. Storm struck 50 years ago today. This  
footage was filmed by my father. Illinois CBS 2's Megan Hickey reports  
on the flooding in Chicago's southwest suburbs. PART 2 OF 2 In this  
segment, film footage of a young Bill Curtis interviewing  
Neighborhoods still cleaning up from last week's storms.
