

I'm not a robot

The highway has been fully closed between Golden and Silverthorne due to hazardous conditions. The severe storms are gone, but the effects will continue to be felt for drivers going into and out of Easthampton. A winter storm continued to impact Caltrans and the California Highway Patrol have issued chain controls along Interstate 80 and Highway 50 as snow begins to fall. I-90 from Park City to Columbus was shut down Friday due to unsafe conditions. Portions of Interstate 70 are closed in Colorado's District 2 of the California Department of Transportation (Caltrans) is advising people to cancel their travel. The main route between Gatlinburg and Cherokee, North Carolina is closed after a landslide in the Smokies. For more information, see Local 5. A rockslide closed the road last week, shutting down several Colorado highways closed due to blizzard.
