To say that there is a lack of trust in the established practices of western medicine is not surprising. Support the show and get 50% off MCT oil with free shipping. "Just leave us a review on iTunes and let us know!" Chris sits down with a physician, 90% of American adults have a condition most have never heard of "and the American Heart Association just gave it its own name" ... In this episode of The Silicon Fox Podcast, we sit down with a physician. Have you ever wondered why your doctor says some of the silliest things? It's because that's what she/he was taught in Dr. Lufkin's book: "The Doctor's Dilemma". Today I talk with the renowned physician Dr. Brian Mowll. In this episode, Dr. Brian Mowll sits down with me to discuss "What if everything you thought you knew about health was wrong?" In this eye-opening episode of Productivity Smarts, host Gerald ...
