

I'm not a robot

The 8-week-old Labrador Retriever is beginning his journey in northeast Ohio to become a Canine Companions' service dog. What looks like a game of hide-and-seek may actually be helping. Their names are Aspen, Graupel, Yukon and Kodiak. Notice a chilly theme? We are just a little more than a week away from the 4th of July. Still plenty of time to make plans. Still plenty of time to make plans. We have a happy ending to the "tail" of a blind pup named Snickers. We featured him back in May as he worked with his certified guide dog. ...
