

I'm not a robot

A Day with your favorite esthetician (I started my career as a wax specialist, I love it as much as facials! Hello beautiful babes my name is Bri and I am a 5 year experience esthetician please like comment and for more videos... Watch and learn as a licensed esthetician, wax instructor, and Brazilian Making a human is enough, let me take the hair removal part of your maintenance routine off your hands. • Link in bio to ...
