

I'm not a robot

A work session for the proposal is expected within the next week or so. Police said the investigation began with multiple complaints regarding operations at Essential 8 Spa, located inside the fifth unit of a building in Bangor. The spa is estimated to be worth half a million dollars and is coming to provide more safe havens. Hopefully, if approved, anyone convicted of certain offenses will be sentenced to a state prison. Hailey Virusso, director of anti-trafficking Reporter Pearl Small sits down with Hailey Virusso, the director of Anti-Trafficking. The state's first safe house for victims of
