

I'm not a robot

Have you ever wondered why your doctor says some of the silliest things? It's because that's what she/he was. This is the first conversation with Details at We discuss the eye-opening book - Delve into the hidden truth of your aging and chronic diseases... metabolic dysfunction. Plus what YOU can do about it. Pick up your copy (yes this is an affiliate link): [This is a link to my Skool group](#) (it's about cute cats and... Western medicine, lauded as one of humanity's greatest achievements, faces a new challenge in the 21st century: a tsunami of...
